## LAD DIES WHEN HEAD CRUSHED BY AUTO TRUCK

### OVERACKER NEW BOARD PRESIDENT

Jones Resigns as Secretary  
and Whipple Succeeds  
Him --- Dusterberry Re-  
tiring President.

Justus Overacker, of Mis-  
sion San Jose, who won his  
seat on the board of trustees  
of Washington Union High  
school for the second time in  
the recently held election,  
has been made president of  
the board, and succeeds Fred  
T. Dusterberry, who held  
that position for many years.  
F. Vernon Jones, of Niles,  
at his request was relieved  
of the duties of secretary of  
the board and J. C. Whipple,  
Decoto member, was elected  
to his place. Whipple is  
serving his first term.

### MOTHERS SPONSOR PARTY FOR NILES SCHOOL GRADUATES

To Take Place At Close  
of the Present  
Session.

Niles Parent-Teacher associa-  
tion held a meeting at Niles  
Grammar school Tuesday, May  
13. Plans for a Chamber of  
Commerce dinner, to be given  
June 3, at the new American Le-  
gion building on Second street  
were discussed. Decision was al-  
so made that Eighth grade moth-  
ers would sponsor a party to be  
given 1930 graduates at the close  
of the present school term.

Mrs. J. E. Townsend and Mrs.  
Elmer C. Brinkmeyer, delegates,  
gave reports of the recent Pa-  
rent-Teacher association conven-  
tion held at Berkeley.

A vote was cast to give \$5.00  
each to Niles Boy Scout troop  
No. 1, and Tinega Group of Camp  
Fire Girls, to aid in enlarging  
their summer camping fund.

Mrs. Roland Bendel reported  
that several books that would be  
of great interest to mothers and  
members of the Parent-Teacher  
association had been received at  
Niles Library in the James Clough  
memorial building.

At the next association meet-  
ing officers will be installed, and  
following this a program will be  
presented by students from Niles  
Grammar school. Refreshments  
are to be served also.

New officers are: Mrs. Edward  
A. Ellsworth, president; Mrs. Ro-  
land Bendel, vice president; Mrs.  
M. Rogers, recording secretary;  
Mrs. J. M. Williamson, secretary;  
Mrs. E. Habenicht, treasurer;  
Mrs. Leon Solon, auditor; Mrs.  
Harvey Braun, parliamentarian;  
Mrs. George Bonde, historian, and

### LOUD SPEAKER INSTALLED AT WELFARE HOME

Through efforts of William  
Tyson children in Niles Child  
Welfare Home now are able  
to listen to popular radio  
programs. Tyson installed a  
loudspeaker in the home and  
strung wires from it to the  
Tyson residence, where a large  
electric radio is in use.

Radio programs are carried  
for a distance of about 200  
yards between the two homes,  
and now the youngsters can  
enjoy doings of popular  
performers and laugh with  
throng of other listeners.

### CHILDREN TO BE EXAMINED BEFORE ENTERING SCHOOL

Washington Township Health  
Center, Centerville, in co-opera-  
tion with California Congress of  
Parent-Teacher Association and  
Bureau of Child Hygiene of the  
California Department of Public  
Health will conduct physical ex-  
aminations of children about to  
enter school, on May 27, 28 and  
29, from 9 a. m. to 12 noon.

Examinations in Washington  
township will be done by local  
doctors, assisted by Mrs. Edna  
Ebright, public health nurse, and  
members of parent-teacher asso-  
ciations in this locality.

Parents should know whether  
or not their children are suffer-  
ing from any physical defect,  
and if they are corrective mea-  
sures should be taken immedi-  
ately, so that children can be  
fit for studies and exertion that  
is necessary in educational rou-  
tine.

Mrs. Ebright said that chil-  
dren would be vaccinated for  
smallpox free of charge, a pre-  
cautionary measure that averts  
many deaths.

Mrs. J. E. Townsend and Mrs.  
Elmer C. Brinkmeyer, delegates.  
Today, Thursday, Mrs. Town-  
send and Mrs. Brinkmeyer will  
attend a council meeting at Su-  
nol Grammar school.

### Warm Springs Citizenry To Vote on Bond Issue Friday

Residents of Warm Springs  
will go to the polls Friday, May  
16, to vote on the bond issue  
of \$39,500.00 which would make  
possible a new and modern  
grammar school building for the  
community. Growth of the dis-  
trict in recent years has crowded  
the present school building and  
construction of additional rooms  
being considered inadvisable, peo-  
ple of Warm Springs decided to  
vote on a bond issue for a new  
school.

According to Joseph L. Brown,  
clerk of the board of trustees,  
the need of a new building is  
very obvious and the bond is-  
sue is expected to be carried by  
an overwhelming majority. After  
conferring with officials of  
the school planning commission  
of the state department of educa-  
tion a decision was made that  
the present frame building was

### JOSEPH ANDRADE, DECOTO BAKERY EMPLOYEE, DRIVER OF DEATH CAR

KAZURO ARIMA, two years of age, son of Y. Ar-  
ima, of Decoto, was killed last Saturday about 11  
p. m., when a delivery truck, owned by the Decoto  
Bakery and driven by Joseph Andrade, ran over him,  
inflicting fatal injuries. According to reports, no one  
saw Andrade hit the child, but after the truck had  
passed the child's mother heard his cries, and rushing  
into the street she found him in a dying condition.

Andrade claimed he remem-  
bered nothing of the child, and  
was seemingly surprised when told  
he had run over him. Andrade  
and the child's parents took the  
boy to Dr. G. S. Holeman, but  
were too late. The child had  
evidently passed away immedi-  
ately after being picked from the  
road.

Examination showed a frac-  
tured skull, a broken jaw, and  
several other injuries. A cor-  
oner's inquest will be held to  
determine the cause of death.

Funeral services for the child  
were held Tuesday afternoon,  
from an undertaking establish-  
ment in Centerville, and the re-  
mains were interred in a San  
Jose cemetery.

### VANDALS INVADE GRAMMAR SCHOOL DURING WEEK-END

Primary Rooms Damaged  
—Two Days Needed  
For Repairs

A tramp in search of small  
change or vandals bent upon de-  
struction forced an entrance in  
the Niles Grammar schools pri-  
mary department during the  
week-end and succeeded in prac-  
tically wrecking two rooms.  
Damages were discovered by  
teachers Monday morning.

E. Dixon Bristow, principal of  
the school, stated that at least  
two days were required to put  
the rooms in order. During that  
time pupils were seated in other  
classrooms.

Books and other school equip-  
ment had been taken from the  
shelves and closets and pitched  
onto the floors. Every desk's  
contents removed and thrown in  
a heap. Charts had been tipped  
over and drawings made by  
pupils had been torn from their  
places.

### COMMITTEEWOMEN OF ANNUAL PARTY APPOINTED MONDAY

Toyon Branch of Baby  
Hospital Is the  
Sponsor

Toyon Branch meeting of Ala-  
meda County Baby hospital, was  
held Monday at the home of  
Mrs. R. O. Driscoll, of Mission  
garden party, sponsored by Toyon  
branch, were discussed and com-  
mitteewomen appointed to take  
charge.

Various booths for selling ar-  
ticles and goods of all kinds will  
be erected, and will be under the  
supervision of a chairman. Those  
appointed are: Mrs. August May,  
cashier; Mrs. Eugene Stevenson,  
candy; Mrs. William H. Ford,  
lunch; Mrs. F. M. Hudson, cof-  
fee; Mrs. J. E. Townsend, fish-  
pond; Mrs. J. M. Williamson, ice  
cream and lemonade; Mrs. Wal-  
ter Robie, novelties; Mrs. Law-  
rence Bunting, home-cooked food;  
Mrs. J. E. Thane, Old Curiosity  
Shop; Mrs. William D. Patterson,  
mystery; Mrs. Theodore Harvey,  
brooms, and Mrs. Carrie Em-  
erson, California Nursery stock.

Tentative plans for a program  
include numbers by Washington  
Union High School band, direct-  
ed by John Kimber; vocal selec-  
tions by Grammar school classes,  
supervised by Mrs. M. Foster, in-  
structor; stunts by Boy Scouts  
and Camp Fire Girls; Japanese  
dances, and entertainment by  
Laura Lloyd Roderick, National  
Broadcasting Company radio ar-  
tist. There will also be dancing,  
Pony rides and archery will be  
featured for children.

Mary Dowd Reardon, of Oak-  
land, will be in charge of the  
dancing.

### Ex-President Harvey Braun Officiates at Chamber Lunch

Harvey Braun, ex-president of  
Niles Chamber of Commerce,  
presided at the regular meeting  
of that body in the absence of  
both President L. E. Smith and  
Vice-president F. Vernon Jones.  
Twenty members were present,  
and as the leading officers were  
not in attendance all important  
business was tabled until the  
coming week.

An invitation to attend the  
dedication ceremonies of the new  
Veteran's Memorial building,  
received from Washington Town-  
ship Post No. 195, American  
Legion, was read by A. F.  
Johnson, who is acting as sec-  
retary while J. E. Townsend is

### NEW LEAGUE FORMED FOR HIGH SCHOOL

Is Named "B" Section of  
Alameda County  
Sports League

MOYER, PRESIDENT  
Football and Basketball  
Schedules Are  
Drawn Up

A new high school athletic  
league was organized recently,  
at a meeting held at El Lido  
cafe, Centerville, and is to be  
called "B" section of Alameda  
County Athletic League.

"Organization of this league  
is for the purpose of increasing  
competition and thereby adding  
interest in athletics, as Wash-  
ington Union High school will  
be playing with schools nearer  
her own size." So stated Jess  
Regli, coach at Washington Union  
High school, when interviewed.

Those present at the meeting  
were O. E. Wilson, coach, Em-  
eryville; R. O. Moyer, principal,  
and George Patterson, coach,  
Pleasanton; G. A. Spiess, prin-  
cipal, Livermore; Ned Kay and  
B. K. Smith, Hayward, and E. B.  
Hodges, principal, and Jess Re-  
gli, coach, Washington Union  
High school. All present were  
from high schools in the cities  
named.

R. O. Moyer, principal of  
Pleasanton High school, was  
elected new league president,  
and Jess Regli was elected sec-  
retary and treasurer. A consti-  
tution was adopted, and football  
and basketball schedules were  
planned for the year of 1930-31.

### CHAMBER MEMBERS ATTEND LUNCH IN NEWARK

George Hess, of Morton Salt  
Company, Newark, has invited  
members of the various cham-  
bers of commerce to attend a  
luncheon to be given today at  
noon, at the Morton plant. A  
delicious lunch will be served,  
and all chamber members were  
urged to signify their inten-  
tions of attending so that Mr.  
Hess could make necessary ar-  
rangements.

Representatives from Niles  
and Centerville bodies will be  
among those present at the  
luncheon.

### EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

AND HERE WAS "INDEPENDENCE."

IS IT AFTER all such a wonderful thing to be  
INDEPENDENT of everything and every-  
one—blind, deaf and dumb to all obligations of  
whatever nature? Is it true that no feeling is so  
joyous as to snap your fingers in the face of dis-  
cipline, ignore protest—quit your job on the  
slightest provocation or tell your complaining cus-  
tomer to go to—Soviet Russia?

\*\*\*

We rode through Niles Canyon recently on  
our way to Pleasanton. The trip was no different  
from other trips that we take most every day over  
that scenic highway. But we were in a reflective  
mood on this occasion and quite in a happy one,  
also.

We saw a "blanket stiff" ahead of us and  
slowed down, motioning him to put his bundle  
in the rumble seat and climb in front and join us.  
Like most knights of the road, he was loquacious.  
"I told him what I thought of him and quit on the  
spot," my fellow passenger volunteered with con-  
siderable heat considering that the incident hap-  
pened a month ago, and he had been looking for  
a job ever since.

At Sunol, the man who had the courage to tell  
the boss where to head in, elected to leave our  
little car and join his friends in the jungle  
camp near the railroad. We went on, thinking  
that it must be a wonderful thing to be "indep-  
endent." We had just about decided that we, too,  
would declare our independence. Just wait until  
we saw our wife. We, as well, would demonstrate  
that we were free men.

Going along with these revolutionary  
thoughts in our minds, we saw a rather dudish  
young man with a suitcase in hand waving in a  
most positive manner for us to stop. He was  
ready to go along with us, we were sure. One  
could hardly ignore such a man—he knew just  
what he wanted—a ride! So he joined us. He  
proved to be a tonsorial artist. That accounted  
for his natty appearance.

Why should a man dressed so well demand a  
ride? We were about to say "beg" a ride. But  
he did not beg it. He demanded it. So our curi-  
osity got the better of our natural good breeding,  
and we asked him this personal question:

"Why did you quit your last job, Ferdie?"  
"Say," he returned, "how did you know my  
name was Ferdie?"

"We're good guessers, my boy," we replied.

"Well, I'll tell you. The bird I worked for in  
Salinas was a mean guy. He was tight, stingy.  
Instead of hiring a porter to sweep out, he insisted  
that each fellow in the shop take a turn dolling  
up the place and opening up for the early morn-  
ing trade. When it came my turn I quit him cold  
and told him to pay me NOW or I would cave in  
his face. Say, he paid me right off the bat. No-  
body can pull that stuff on me. Lot of 'home  
guards' will swallow that pill, not this guy." With  
this he threw out his manly chest to indicate who  
this "guy" was.

Long after the tonsorial sheik had left us, we  
mused upon the working of the human mind.  
Here were living examples of "independent"  
workmen—without work. Neither would they  
bow their proud heads to discipline, to seeming in-  
justice. But they would go out on the highway  
and feel no humiliation in begging a ride from  
some one who may have submitted to these "in-  
justices" and thus able to buy gasoline. These men,  
courageous enough to tell the boss he was a crab  
to his face, seemed to lack the courage to ride the  
freights, and meet at division points railroad bulls.

They had a lot of courage to quit a job, but  
none to hold one. Dependents meant nothing to  
them, and courage to submit occasionally to un-  
reasonable attitudes of their superiors for the sake  
of father, mother, sister, brother, wife or child was  
lacking.

\*\*\*

Independence is a wonderful thing. Living  
examples of that desideratum may be seen by any  
motorist any day carrying a pack of dirty blankets  
on their backs meekly (or otherwise) soliciting  
rides from the "wage slaves" of industrious  
America.

## Baseball Game Won By Newark Team, Sunday

Sunday, May 11, saw the Chris Nelson Paints, from San Francisco, defeated by Morton Salts, of Newark. A close score caused a great deal of excitement in the grand stand on the Newark Grammar school grounds, and a great deal of elation was felt when the final score was announced as 8-5.

Next game to be played by Morton Salts will be at Washington Park, Alameda, next Sunday, against the Alameda Students.

Mr. and Mrs. N. D. Slevin are the proud owners of a new Willys Knight Coupe.

Mr. and Mrs. Leopold Falk, and two children, and Mrs. Smith, San Francisco, visited friends here Sunday.

The Misses Roe, Jean Stevenson, and Sybil Lee, and John and Edgar Stevenson, Mrs. Janet Stevenson, and Mrs. M. J. Lee, all of Oakland, spent Sunday at the home of Mr. and Mrs. Albert Dewhurst.

Mr. and Mrs. Chester Buck are entertaining two sisters, of Hutchinson, Kansas.

Harley Bradley spent several days in Lodi last week.

Mrs. J. Simas, and son, James, of Oakland, visited at the home of Mrs. Ada Francis, recently.

## BRUCE FIRM HAS LOW BID FOR NEW BUILDING

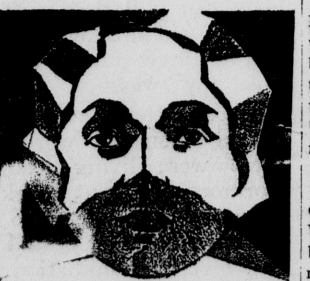

That a meeting of the congregation of the Pleasanton Presbyterian church will have to be called before a contract is entered into for the construction of a new addition to the church for Sunday School purposes, was the announcement made by the Rev. Robert C. Cross, pastor.

The announcement followed a meeting of the building committee held Tuesday evening at which time a dozen bids were received for the work as outlined by plans and specifications adopted by the congregation several weeks ago. The firm of C. A. Bruce & Sons of Pleasanton, was the lowest bidder. Its bid was \$8,928.00. The highest bid called for \$11,600.

The congregational meeting will be held on May 19, Rev. Cross stated. At that time in addition to the letting of a contract, steps will be taken to re-incorporate the church.

## POST OFFICE MOVED.

Newark post office and telephone exchange will be moved into new quarters in the old State Bank building on June 1, according to present plans. This new location will be central, and will be an ideal position for postal and telephonic business.

J. Martin and family, of Newark, were recent visitors in Oakland.

Mr. and Mrs. C. Mickelsen, of Stockton, recently visited at the home of Mr. and Mrs. Chris Anderson.

Miss Marian Costa, of Newark, was recently a guest at the home of Mrs. C. Silva, of Hayward.

Mr. and Mrs. Mervin Mento spent the week-end with Mr. and Mrs. James Steinhoff and family.

Mr. and Mrs. Louis Ruschin entertained sixteen relatives and friends, of San Francisco, at a Mothers' Day dinner Sunday.

Mr. and Mrs. Mike Hoffman are the proud owners of a new Plymouth Sedan.

Mr. and Mrs. Floyd Anders and son, Mrs. W. J. Koehler, and Gus Anders spent Sunday in Lodi.

Theodore Rhenndollar, of Stanford University, spent the week-end at the home of Louis Ruschin, Jr.

## PLEASANTON GIVEN 1232 POPULATION

Unofficial Estimate Shows City to Have Gained 241 Residents

**INCREASE WORTHWHILE**  
Greater Pleasanton Has More Than Fifteen Hundred Citizens

Pleasanton has a population of 1232.

These figures were made public Saturday by Fred N. McCormick, superintendent of census for Alameda County.

According to the 1920 census Pleasanton had a population of 991. The new figures show an increase of 241.

While in many communities in the county it is thought that the increase in population is due to an overflow of persons working in the larger centers and living in the smaller communities, Pleasanton's growth is said to be the result of the development of agricultural districts surrounding it.

In computing the population of Pleasanton only those residing within the city limits proper have been enumerated. It is estimated that at least 300 people reside within a mile of the city limits, but these were not counted as residents of Pleasanton.

Vacaville—Work being rushed on new road being built by Western Pacific to connect branch of Sacramento Northern running between Vacaville and Suisun with Oakland - Antioch line.

Santa Rosa—Store building on Fourth Street will soon be occupied by modern food market.

## 11 Years Constipation Glycerin Mix Ends It

"For 11 years I tried to get rid of constipation," says Chas. E. Blair. "Then at last the simple mixture, Adlerika, made me regular." The simple mixture of glycerin, buckthorn bark, saline, etc., (Adlerika) acts on BOTH upper and lower bowel, relieving constipation in two hours! Brings out poisons you never thought were in your system. Let Adlerika give your stomach and bowels a real cleaning and see how good you feel!—Greenwood's Pharmacy.

## PUBLIC TOLD HOW TO PREPARE IDEAL STRAWBERRY ICES

With strawberries now so cheap and so plentiful, the old favorites, strawberry shortcake, strawberry pie, and dozens of other strawberry desserts, are making their appearance on the home table. But no matter how good they all may taste, it is a good deal of work to prepare them. Here is a way of satisfying the family's taste for strawberries with very little effort.

Wash and hull a quart of strawberries, mash to a pulp, add half a cup of sugar and the juice of half a lemon. Mix thoroughly then freeze. If an ice cream freezer is not available, it is easy to freeze the mixture by putting it into a baking powder tin packed in cracked ice and salt—three parts ice to one part of salt.

Strawberries iced in this manner are easily prepared and once eaten are sure to become prime favorites.

## POPPY DAY WILL BE OBSERVED ON SATURDAY MAY 24

Annual Event For Benefit  
of Disabled Veterans  
To Be Held

Poppy Day will be observed in California Saturday, May 24, it was announced here this week by the Washington Township Post No. 195, American Legion, which will sponsor and have charge of the flower sale in this region.

As yet Unit No. 195 has not received its supply of "In Memoriam" poppies for yearly sale, but is expecting them within a few days. Tinega Group of Camp Fire Girls will be asked to dispose of the flowers, which with number approximately 1,000. Township veterans hope that all poppies will be sold in order that the fund for disabled soldiers will be increased accordingly.

## Dodge Car Dealers To Open Sales Agency Here

Karl Goeppert, district manager for the J. E. French Company, of Oakland, dealers in Dodge motor cars, was a visitor in Niles Tuesday, and called at the Register office. He explained that he was looking over this territory preparatory to opening agencies and salesrooms. He was accompanied by L. J. Gerard, also connected with the French company.

## GEORGE BANCROFT IN TALKIE DRAMA AT FOX OAKLAND

There's a reason why "Ladies Love Brutes." George Bancroft reveals it in Paramounts all-talking dramatic smash opening Friday at the Fox Oakland theatre.

Bancroft surpasses himself in this picture. His characterization is masculine and elemental. He imbues it with the cunning, forcefulness and humor of a man who has fought from the bottom to a position of wealth and security. In this story the star has discarded his favorite gangster role for that of a social climber. Lest his fans be disappointed, however, he mixes with an underworld gang for a punch climax. Meanwhile, his ambitions carry him toward the Four Hundred and another man's wife. All of which provides meaty drama well suited to the talents of the virile Bancroft and his cohorts, Mary Astor, Fredric March and Stanley Fields.

Wedding bells, liberty bells and beautiful belles are used with surprising ingenuity by Fanchon and Marco in their stage revue, "Bells and Belles" Idea. Aside from Eddie Hill, smart-cracking comedian, there are the Dunbar bell ringers with their "peals of harmony." Eva Thornton, America's most beautiful prima donna, dancers, singers and other entertainers. A flash finale presents the entire cast in a big band.

## DRIVERS ORDERED TO OBSERVE ALL CROSSING SIGNALS

Fifteen Mile Speed Limit  
To Help Reduce  
Accidents

To reduce accidents at grade crossings, the Safety Conference of the California State Chamber of Commerce is inaugurating a campaign during May in which it requests the cooperation of every Motor Vehicle driver in California to observe railroad warning signals and to restrict their speed to fifteen miles an hour in approaching a grade crossing.

Accident reports show that last year there was a total of 2929 grade crossing accidents in California, resulting in the death of 213 persons and the injury of 993 others, according to a bulletin received today from the Safety Conference.

In analyzing the grade crossing records, it is stated that approximately 70 per cent of these accidents occur during daylight hours, that over 25 per cent result from the vehicle running into the standing trains, that over 50 per cent occur at crossings protected by some special safety device, and that many accidents result from the failure of the driver of the vehicle to observe Section 114 of the Motor Vehicle Act, which requires that when a danger signal is being displayed at a grade crossing, the driver shall stop before crossing the tracks.

## MISSION INDIANS BEAT LOS ALTOS ON HOME FIELD

Mission Indians won a crashing, overwhelming victory Sunday, May 11, when they defeated the Los Altos baseball team on its home field. Final score was 10 to 7. There were no exceptional outstanding plays, for the Indians performed in a tranquil manner that made the score mount steadily.

Sunday, May 18, a game will be played at Berryessa, if weather permits. Mission Indians are hoping for another victory, for so far this season they have scored heavily against practically all opposing teams.

Miss Ollie Mello was a visitor in San Jose last week.

Mr. and Mrs. Howard Chadbourne and Mr. and Mrs. F. T. Dusterberry attended the play "The Road to Dover," in San Francisco, last week.

## WORK ON SCHOOL GYMNASIUM GAINS, FOUNDATION LAID

### Riveting Machines In Use on Steel Girders of Framework

Construction on the new gymnasium for Washington Union High school is progressing. Riveting machines, in use on steel girders for foundation and framework, are in operation.

E. B. Hodges, principal of the High school states that the foundation is almost completely in place, and steel framework and girders are nearing completion. Approximately twenty men are at work on the building.

On the day that cement was first poured for preliminary work Fred T. Dusterberry, F. Vernon Jones, and M. J. Overacker were visiting the school, and watched operations.

### Mrs. A. Hansen Hostess At Luncheon Thursday

Thursday Mrs. A. Hansen entertained the Bridge Whist Club at a delicious luncheon. The table was beautifully decorated with flowers and ferns. At each place was a dainty candle stick and flowers in pink and lavender, alternating. The afternoon was spent with cards. At the close a prize was given Miss M. Fair, first for guests; Mrs. C. Anderson, first for members, and Mrs. Hall, San Francisco, consolation.

### OFFICIALS ELECTED.

Board of directors of Washington Township Country club held its last meeting Monday at the home of Mrs. Harry Cushing, of Irvington.

New officers who were nominated by committees and who were elected are Mrs. R. L. Pond, president; Mrs. E. A. Ellsworth, vice-president; Mrs. Howard Chadbourne, recording secretary; Mrs. C. E. Anderson, financial secretary, and Mrs. Mable Fitzgerald, treasurer.

### SHOWROOMS REDECORATED

Dohner and Galbraith, Ford Dealers, Centerville are having their showrooms redecorated, and floor refinished with a concrete composition that gives a polished mirror-like effect. Woodwork is to be repainted in harmonizing colors, to match plaster walls.

### PERSONAL ITEMS

## SENATOR T. C. WEST SPEAKER AT CHAMBER OF COMMERCE MEETING

C. H. Waterbury presided at the May 8 meeting of Centerville Chamber of Commerce, held at El Lido restaurant. Senator T. C. West was speaker of the day. He is chairman of a committee appointed by last session of the legislature to recommend changes in the constitution. He drew a comparison between the constitution of the United States, which is considered to be an ideal document of that kind, and the constitution of California. One consisted of twenty pages and the other 150. One has been amended eighteen times and the other 159. California constitution he considers to be more a mass of initiative legislation than a fundamental document, and recommended calling a constitutional convention for the drafting of a new one.

A general discussion was held in regard to garbage disposal and a committee was appointed to arrange for regular collection of all waste material. Committeemen are W. J. Furtado, M. S. Almada, and M. J. Bernardo.

R. R. Kingman, representing the Township Register, gave a short talk about the special edition which is to be published in commemoration of the dedication of the Veterans' Memorial building, Niles, on May 30.

President Dusterberry read a letter from Toyon Branch, Alameda Baby hospital, calling attention to the lunch and garden party, which is to be held on the J. C. Shinn grounds, on the Niles-Centerville highway. All members of the body were urged to attend if possible.

## VETCH HARVEST IS NOW ON IN THIS DISTRICT

### Experimental Crop Gives Evidence of Proving Boon to Dairymen

With the first heavy cutting of vetch underway, dairy and stock men of the Amador Valley are watching the proceedings with considerable interest, hoping that a staple and inexpensive feed will be produced in large quantities.

The bulk of the vetch is being grown in the Pleasanton district, but large additional acreages will be planted in other parts of the county if this year's intensive experimental work proves to be up to expectations, according to the officials of the Alameda County Farm Bureau.

The vetch is particularly desirable for dairy animals, it has been determined, promoting a heavy flow of milk and proving a succulent and appetizing feed.

An intensive production of the vetch will do little harm to the alfalfa and hay crops, according to agricultural leaders, largely supplementing the diet of the animals.

Farm experts have been devoting considerable attention to the selection of vetch varieties best suited to the soil and climate of the county.

Experiments are being carried on in this section at the ranches of Casterson Brothers, Manuel Lopez, Meadow Lark Dairy and Walter Block.

F. F. Botelho was a visitor in Newman Sunday and Monday.

Mr. and Mrs. Garrett Norris entertained a group of friends at dinner Sunday evening.

## ATHLETIC CLUB WILL PLAY TWO BALL GAMES SOON

Centerville Athletic club will shortly engage its volleyball team in two games, dates of play at present unknown. Opponents in the two contests of skill and speed will be the Hayward Merchants and teachers from Redwood City High school.

No schedule of games has been made, and the only games planned on are the two in the future. People of this region are hoping to see Centerville emerge victorious from these matches, and are looking forward expectantly to the games.

## APRIL IS BANNER MONTH FOR SALE OF FORD MODELS

Dohner and Galbraith, Ford dealers of Centerville, report the largest number of sales made since they have been in business. During the month of April seventy-six Ford cars and trucks were delivered; fifty-two of these were delivered from Hayward and twenty-four from the Centerville headquarters. Sales of used cars have also increased for fifty of these were sold during April.

Ford sales throughout the country are leading all other makes, according to the Motor Registration News for northern California. A total of 8,777 cars were sold in forty seven northern counties, and of this 3,632 were Fords. In San Francisco Fords led with 879 sales out of a total of 2030 automobiles sold. A light six cylinder model took second place with 205 deliveries. In Oakland out of a total of 830 sales Fords were in the lead position while a light six took second place with 113.

This same story is true for the entire United States, for throughout Ford is leading all cars and getting total of nearly fifty per cent of all sales. More

## TYPING CONTESTS WILL BE HELD BY SCHOOLS

### Students Will Compete At Centerville June 7th

A typing contest will be held between Hayward, Amador and Washington Union High schools June 7, and will take place at Centerville. This decision was made public following a meeting of Mr. Laidlaw, head of Hayward Union High school commercial department, V. E. Solvason, and Mrs. G. C. Jackson, of Washington Union High school, who discussed plans for the contest.

Nothing definite was decided upon but present arrangements are to have both first and second year teams in typewriting entered. These students will endeavor to win for both speed and accuracy. Each unit will consist of three contestants, and they will be chosen from highest in the lists. As yet the competing students have not been selected.

## The Finest and most Valuable engineering Features

Nash owners are drawn from the most discriminating buyers of motor cars in the country.

They are attracted to the Nash "400" because of its unexcelled engineering features as well as because of its great beauty and luxurious performance.

The Twin-Ignition principle in motor design which results in greater power, speed, smoothness and economy is an excellent example of Nash engineering leadership.

Another is the centralized chassis lubrication on every model that enables you to quickly, scientifically, and economically lubricate every important chassis point.

Still another is the steel spring covers with lifetime lubrication which contributes so greatly to your riding comfort. Drive a Nash "400"—"it is as fine as money can build or buy".

### Nash Features You Should Know

Centralized chassis lubrication, built-in, automatic radiator shutters, and the world's easiest steering in every model. Adjustable front seats. Steel spring covers with lifetime spring lubrication, in the Twin-Ignition Eight and Twin-Ignition Six lines. The priceless protection at no extra cost of Duplate, non-shatterable plate glass in all doors, windows, and windshields throughout the Twin-Ignition Eight line. This glass is also available at slight extra cost in all other Nash cars.

## GARY COOPER IN FAMOUS WESTERN T & D PROGRAM

"The Virginian" rides again—but now he's "The Texan." Gary Cooper's newest Paramount drama will open Friday at the Fox T & D theater in Oakland.

O'Henry's short story, "The Double-Dyed Deceiver," inspired this all-talking outdoor picture. O'Henry as everyone knows, is a synonym for novelty. His tales are noted for their clever plot twists and surprising denouements. "The Texan" is no exception. You'll revel in this story of the "Llano Kid," a straight-shooter from the plains. When an avenging sheriff comes too close for comfort the "Kid" flees to South America and there stumbles on the most thrilling adventure of his life.

Fay Wray, leading woman in "Thunderbolt" and "Four Feathers," is seen as a dreamy-eyed senorita and Emma Dunn, recently a guest star with Henry Duffy, is cast as a wealthy Spanish widow. The South American pampas furnish picturesque settings for the drama.

## BREAKFAST GIVEN SUNDAY SCHOOL CONTESTANTS

A large group of Sunday school class members of Niles Congregational church was present at a breakfast served in the school rooms Sunday morning, May 11, at 9 a. m., by the "Purples," losing team in a recent attendance contest. A complete success was the outcome of this affair, for it was greatly enjoyed by the youngsters and older people present. Breakfast was composed of oranges, breakfast food, hot rolls, scrambled eggs, and chocolate.

Reverend Elmer C. Brinkmeyer, pastor, stated that enrollment had increased fully twenty-five per cent since inauguration of the attendance contest. Those participating belonged to two teams, "Purples," and "Golds." Each team was captained by a Sunday school member, who chose her following. In competing, the "Purples" were outclassed by "Golds," and consequently the latter team was given breakfast, greatly enjoyed for it was a new treat for most of the young people. Prizes were also awarded the winning team Sunday morning.

## HORSES, OXEN TO COME INTO OWN ON JULY 4

Motor Vehicles Taboo As Means of Conveyance During Parade

When Pleasanton's civic organizations begin plans for their entries in the Livermore Fourth of July parade this year they will be faced with the problem of deciding just what kind of an animal will be hitched to the various floats.

This decision will be forced on them by reason of a ruling of the parade committee that all floats in the parade must be drawn by animals. Motor vehicles are taboo.

This idea for the parade is based on the fact that California is observing the "covered wagon" centennial this year, marking the 100th anniversary of the first wagon train crossing the plains.

An invitation is to be extended to all pioneers of Pleasanton Township, and other townships in the county as well, who came here by covered wagon to be guests of the Fourth of July committee during the celebration.

Last year Pleasanton entered a number of floats in the Livermore parade, and the citizens of that city expressed their appreciation of this community's co-operation with much enthusiasm. It is expected that Pleasanton will have a greater representation this year.

## Irrigation Increases County Farm Acreage More Than 10 Percent

Alameda county acreage under cultivation for agricultural purposes as a direct result of irrigation has increased ten per cent since 1920, according to findings of a survey recently completed by Dr. George W. Barr, agricultural agent of the Southern Pacific.

More than 10,000 acres in the county, Barr revealed in a statement this week, are now under irrigation. All water used in the irrigation is obtained by pumping.

Movement toward permanent agricultural production has featured the last decade in Alameda county, the expert declared, with the result that, in addition to crops raised through irrigation, farmers of the county will produce in 1930 approximately 110,000 acres of crops "dry farmed."

The major increase in irrigated acreage, Dr. Barr stated, has occurred in the Eden Township County Water District, extending from San Leandro to Alvarado. More than 2,200 acres of this district are receiving water by irrigation, as compared to 1,700 in 1920.

Greatly improved farming conditions are looked for in the Alameda water district from Alvarado to Irvington, Dr. Barr says. Purchase of the East Bay Municipal Utility District Wells at Alvarado and the closing of these wells, he states, will enable the underground reservoir to fill so the irrigation will not be so great.

Two thousand acres of Alameda county lands are irrigated by pumps of the Byron-Bethany district from the San Joaquin River, the survey further revealed.

It also was shown that the Spring Valley Water Company has developed the largest block of irrigated land in the county, lying in the vicinity of Pleasanton.

Assisting in the survey have been T. O. Morrison, county farm advisor at Hayward, and Cyril Williams, Jr., irrigation engineer for the Eden Township County Water District.

The survey is being made of existing and potential agricultural lands of the state findings to be utilized as the basis for a wholesale publication of an elaborate map locating not only irrigated lands of California, but designating areas devoted to dry farming, areas neither farmed nor irrigated but devoted to grazing, and other pertinent information.

Thousands of copies of this map will be distributed throughout every part of the country by the Southern Pacific in view of enlightening prospective California settlers as to the physical aspects of various sections.

The map will be the first ever published showing dry farmed areas, according to Dr. Barr, and thus will be of unusual value in this respect. It likewise will be the first irrigation map published since 1920.

## DELINQUENT TAXES AS LAST YEAR

That the amount of delinquent taxes on the books of the Town of Pleasanton this year amounts to \$218.00 is the report of Bert W. Bennett, tax collector. This, according to Bennett, is about the same as the amount delinquent last year. This year, however, there are fewer individuals who have failed to settle on time.

Due to the fact that the assessed valuation is larger this year than in 1929, and that the tax rate, as the result of last year's bond issue is 40 cents higher, the amount due thereon is about the same as in 1929.

All of the delinquent taxes have

paid an additional 5 per cent added to them in compliance with law and will be sold for taxes on the first Monday in June.

## Frigidaire Sales Show Recent Large Increase

More families will profit by the protection and conveniences of electric refrigeration in this locality this year than ever before, it was predicted today by F. H. Packler, local Frigidaire representative, who has returned from the annual regional convention of his organization at Oakland where several hundred salesmen and dealers heard factory officials discuss the 1930 outlook with much optimism.

"There are many reasons why Frigidaire sales this year are greater than ever before," he said. "Frigidaire today is more useful than ever before, is a labor saving device, a friend of the family budget, a kitchen appliance in which foods actually can be prepared, a dependable protector of the family food supply, and a thing of beauty," he continued.

"Frigidaire, ever striving to make the electric refrigerator a more efficient household servant, presented a new food preservation achievement at the convention," he explained. "It is known as a hydrator, a moist air compartment which not only keeps vegetables perfectly for many days at a time, but has power to restore many varieties for many days at a time, but ties to their original freshness. It also is an ideal place in which to store sandwiches, and will keep them fresh and wholesome for a long time."

"The hydrator not only will lighten household work, but will assure the housewife a store of fresh vegetables at all times, will eliminate the waste vegetables and salad materials, and enable the hostess to prepare for unexpected guests. It is now on display at our show room."

"Arrangements have been made to install this new Frigidaire product in all household models made by the General Motors subsidiary, and all new refrigerators are equipped with it. The same policy was followed last year when Frigidaire introduced its now famous cold control, a device for faster freezing and more successful dessert and salad making."

### Sunol Items

Mrs. McDermott and two nieces of Pleasanton visited friends and relatives in Sunol Saturday.

Mrs. Arthur C. Day and Mrs. G. G. Bayley made a business trip to Oakland Thursday.

Mrs. Williams of Kilcare Woods has been on the sick list the past week. She is much better at the present time.

Mrs. F. Crespi left Friday for Vallejo where she spent the week.

Miss Velma Andrade was taken seriously ill last Wednesday night and was taken to Alameda sanitarium where she was operated on for appendicitis. She is getting along as well as can be expected at the present writing.

Mrs. James Hoag spent the week-end at the home of her son, Jack Hoag, at Berkeley.

Sunol Meat Market and Harri-son's lunch room are receiving a new coat of paint. It is remarkable what a coat of paint will do. As soon as the rest of the buildings on Main street get their new coat on people will be proud of the main thoroughfare.

Mrs. Jack Silver and baby son returned to their home in Sunol from Livermore Thursday.

#### BOY SCOUT TROOP TO BE FORMED AT SUNOL

Formation of a troop of Boy Scouts at Sunol is to be perfected during the next week or two is the announcement made by Henry Hopkins, scout executive for this section of Alameda County. Three meetings have been held already with interested community leaders. About a dozen boys, now working on tenderfoot tests, are expected for the initial enrollment.

Mr. and Mrs. Joe Silver have moved into the old Anderson house on Niles Canyon road.

Eltol Schroder left Monday for Mendocino county, where he expects to work for a highway contractor for several weeks.

Mr. and Mrs. R. M. Bollock entertained several friends at dinner Saturday evening. Later they attended the dance given by Sunol Chamber of Commerce. The occasion was Mr. Bollock's birthday. Those present were: Mr. and Mrs. G. A. Johnson, Mr. and Mrs. R. A. Hammond and son, Raymond, Mr. and Mrs. T. F. Passama, all of San Francisco; Mr. and Mrs. Layton Hanifen of Benson, Minnesota. The San Francisco friends and Mr. French remained over the week end.

Mrs. M. Andrews spent Monday and Tuesday in San Francisco.

The Sunol Chamber of Commerce met in the community room of the Sunol School Tuesday evening. Mr. and Mrs. Richards, Mrs. F. Crespi and Mr. and Mrs. George Buttner were hosts. They served a lovely dinner at 6:30 to about 30 members. After the dinner C. Westling called the meeting to order and all business was attended to. After the meeting every one enjoyed the evening in playing cards.

Mrs. Lou Bonner was a Center-ville visitor Tuesday. While there she attended a meeting of the Country Club of Washington town ship.

Mrs. George Roraback and Mrs. Archer were San Jose visitors on Tuesday.

Mrs. Galvin made a trip to San Francisco Tuesday.

Thomas Leach made a business trip to Oakland Tuesday.

Mr. and Mrs. Harold Pennoyer and son, Mrs. Al Yahnke and Mrs. George Reynolds of Oakland spent Tuesday at the home of Mr. and Mrs. H. A. Johnson.

The Sunol P. T. A. sponsored the pre-school drive for examining the children who are planning on entering school next fall. All children of the ages of 3 years to 6 years inclusive were examined. The examination was held in Pleasanton and the P. T. A. ladies furnished the transportation for all of them. The P. T. A. also took all of the children to Pleasanton Thursday for the second diphtheria inoculation.

The dance given by the Sunol Chamber of Commerce on May 3rd was surely attended by the god of bad luck. The weather man had no consideration for the dancers and presented the community with a real shower. Then as if that was not enough the P. G. and E. evidently wanted to show its hand and the lights were out for some time. There being no lights from 8:30 until 10 o'clock, several people who came to attend

cooking a pleasure

... and bringing cleanliness  
and beauty into the kitchen

The electric range is the "keynote" for a clean, beautiful kitchen.

And how the electric range improves cooking! — and gives you more time for out-of-the-kitchen activities. For electric cooking can be entirely automatic. After a meal is placed in the oven you never have to watch it—or baste the meat.

No wonder that 31,000 of our customers are thanking electricity for making cooking a pleasure—and for bringing cleanliness and beauty into their kitchens.

Today's electric range has faster cooking elements, a rust-proof oven, pressed steel parts, and a smooth porcelain enamel finish which wipes clean as easily as a China plate.

You'll be surprised to learn that today's electric range costs no more than any good range. You will be delighted with the automatic features which give you sunlit hours of freedom.

A few dollars down will place an electric range in your home, ready to use. Come into our office or a dealer's store and see the beautiful new electric ranges.

Judging from present sales—over 2200 of our customers will install electric ranges during April, May, and June

Today's Scripture LESSON

By Rev. John R. Stevenson

The Lord shall preserve thy going out and thy coming in from this time forth, and even for evermore.—Ps.:cxli.8.

With grateful hearts the past we own;  
The future, all to us unknown,  
We to Thy guardian care commit,  
And peaceful leave before Thy feet.

—P. Dodderidge.

MOTHERHOOD PAID HOMAGE BY FOLK OF WHOLE NATION

Congregational Church Devotes Service To Mothers

Sunday, May 11, reverently set aside for the motherhood of the Nation was fittingly celebrated throughout Washington township. With gifts, loving eulogies, songs, and bowed heads people rendered glowing tribute to Mother—central theme for many poems, the lode star of hope for scores of weary souls, and inspiration for a greater and more lasting belief in immortality.

Services were in homes, where heartstones were the altars, and in churches erected and devoted to God. At Niles Congregational church, Mothers' Day was observed by a service beautiful in its simplicity. A story of Mothers' Day, by Mrs. Elmer C. Brinkmeyer, was read as part of the worship.

Masses of beautiful flowers were used in decorating the church, and a large attendance was present to hear Reverend Elmer C. Brinkmeyer, pastor, who delivered a touching message, fraught with great feeling.

Having the front wheels realigned and having the spring clips and U-bolts tightened may be the answer to the motorist's dilemma over difficult steering. Either of these will contribute to harder steering although that fact sometimes eludes the car owner.

TELEVISION NOW POSSIBLE UNDER TWO-WAY PLAN

Pacific Telephone Company Announces New Improvements

Two-way television, to supplement the usual 2-way telephone, permitting parties to see as well as hear each other, was demonstrated a few days ago in New York by the American Telephone and Telegraph Company, according to Manager F. E. Humpert, of the Pacific Telephone and Telegraph Company.

An experimental service between the telephone company's building at 195 Broadway and the Bell Telephone Laboratories at 463 West street, which has been in operation for some time, was disclosed and demonstrated to representatives of the press.

Following the demonstration, statements were made by Walter S. Gifford, president of the American Telephone Company, and Frank B. Jewett, vice-president of the company and president of the Bell Laboratories.

Gifford said in part: "The demonstration today by Bell Laboratories, of simultaneous two-way television and speech, shows some of the results obtained from our continued work in the television field. At the time of the initial demonstration of television by the American Company, in April 1927, it was stated that we would continue our work in television. Partial results of this work were shown in the demonstration of our out-of-door television in 1928 and of color in June 1929.

"The equipment which has been installed for operation over telephone wires between our buildings in West street and in Broadway, shows what it is possible to do technically in the present state of the art in eliminating the element of distance as affecting sight and sound in the matter of telephone conversations. This can be accomplished over any distance where suitable telephone channels, either wire or radio are available.

"While substantial progress has been made on the technical side, the future commercial possibilities of television are still uncertain. In line with our policy of exploring and developing every field which gives promise of possible improvements in and extension of electrical communication, we expect to continue our work in television."
